

Dr. Mandie Koroi, Ph.D.

Heading Hacks

Level 1 Headings

Are centered and bold. Text begins as a new paragraph.

Level 2 Headings

Are to the left of the page and bold. Text begins as a new paragraph.

Level 3 Headings

Are to the left of the page, bold, and italicized. Text begins as a new paragraph.

Level 4 Headings. Level 4 headings are indented, bold, and end in a period. The text starts on the same line as the heading.

Level 5 Headings. Level 5 headings are indented, bold, italicized, and end in a period. The text starts on the same line as the heading.
